

# NEW HYBRID CODING - 2019

**Herbicide Tolerance Code**  
CL = Clearfield®  
CL Plus = Clearfield® Plus  
E = DuPont™ ExpressSun®

The below example provides another example of the new hybrid coding system:

**N5L307 CL**

Conoil      Linoleic      Med-early      Clearfield

Hybrid numbering prior to 2019 included the herbicide tolerant trait reference in the middle of the name. For example: N5LM307
